Ortronics

1-LC (2 fibers) fiber Keystone module, Aqua adapater, Wiremold Ivory Housing

Part No. KSLCMM50-99

TechChoice® fiber keystone jacks and modules The keystone footprint allows for the greatest flexibility in installation scheduling because its rear insertion into the faceplate allows the technician to complete the termination before, during and after the construction process. TechChoice modules are available in LC, SC, ST and FC, styles in order to suit any installation requirement.
